Collaborate.

Compete.

Succeed.

Development Team Meeting

March 21, 2019

Reviewed current feedback from electronic survey, focus groups and Town Hall

Discussed and drafted vision and mission statements

Developed an initial list of core values

VISION

**The future we seek for
our students**

MISSION

**What we do to
achieve that future**

CORE VALUES

Shared beliefs that guide our work

Development Team Draft Vision Statements

a. Every student will have equitable access to engaging learning that prepares them to be competitive and successful in our global world.

b. Every student will graduate an engaged, competent, and globally-competitive citizen.

c. Every student will graduate prepared to live a successful life in a complex and changing world by achieving their maximum potential.

d. Every student will graduate prepared to be competent and successful in a globally competitive world.

e. Every student will graduate ready to live a purposeful life, contributing to their local community, region, country, and world.

Development Team Draft Mission Statements

a. Cumberland County Schools will meet the needs of every student through innovative services that enhance the quality of education.

b. Cumberland County Schools will equip all students for personal and professional success through positive, rigorous learning environments and collaboration to build lifelong learners who can reach their full potential.

c. Cumberland County Schools will be an innovative global leader in education where stakeholders work collaboratively to be laser-focused on student success.

d. Cumberland County Schools will provide an excellent education enabling students to think critically, collaborate, create, and communicate successfully in the world.

e. Cumberland County Schools will provide the resources, professionals, environment, and community to produce competent, competitive graduates.

Development Team Draft Core Values

Excellence

We set high standards and provide appropriate support for students and employees to exceed expectations.

Equity

We act to achieve a future in which race, gender, socioeconomic status, language, and disability do not predict learning or life outcomes.

Innovation

We imagine a better future and find new paths to achieve that future; we do not settle for good, when great is possible.

Integrity

We speak honestly and act virtuously.

Compassion

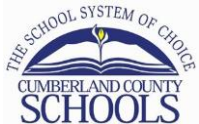

We believe every student and employee is a noble human being worthy of empathy, kindness, and respect.

Collaboration

We go further together, working in service of all that unites us.
